

Diverse Manufacturing Supply Chain Alliance

Certification of Corporate Mentoring Program (CMP) Level Two Performance Maturity

This certificate is presented to

Key Logistics Solutions

in recognition of having attained the CMP Level Two Performance Maturity Certification for a Company that has completed CMP 3.0 Performance Benchmarking and has commenced with CMP 4.0 Analysis and Deployment of Performance Criteria consistent with Supply Chain Excellence practices and, which as a result, is a Company with Supply Chain project processes measured and controlled throughout the organization and is commencing to engage in the CMP 4.0 Supply Chain performance monitoring period before formal engagement in CMP 5.0 - Development, Expansion and Continuous Improvement.
